1966 EMERALD

The Annual Staff for 1966 invites you to take a tour through this year's events and activities. Perhaps the newest and most successful were the A.F.S. Candy Sale and the All School Production of "South Pacific."

"The Kids" share in our enthusiasm of the school spirit and leadership shown by the student body and hope that these qualities will continue in years to come.

SCHOOL BOARD

ROW 1: John Scheele, Lyle Jasperson, and Eugene Gunderson. ROW 2: W. K. Carter, Earl Ranke, and Earl Rowntree.

Serving your district on the Board of Education is a real challenge . . . always making every effort to make the right decision and serve your district well in the interest of all at heart.

We are very proud of our high school and the fine community we represent. The community is you, the taxpayer, who have provided this fine educational unit, furnishing us with these facilities and equipment so essential to meet the challenge in the education of our students . . . who are the leaders of tomorrow.

I would like to take this opportunity to say a few words about our fine personnel . . . a faculty dedicated to the welfare of their students . . . our very capable office staff . . . the faithful cooks who work to prepare the hot meals each day . . . a staff of custodians who take great pride in keeping our school clean and bright. Many compliments come their way. The opportunity of being a member of the Board of Education is a rewarding experience in many ways. Working with our fine administrators in the business affairs and operation of our high school is one which I will always remember and cherish in the years ahead.

To you, the students, we are very proud of you. You have had a great part in making your school a very fine school . . . your respect for your school and teachers, your pride in your school, your neatness in dress, and your fine sportsmanship.

We have so much to be thankful for in our high school, in our churches, and in our community. Let us thank God for the many blessings that are ours.

ADMINISTRATION

W. K. Carter

Superintendent

Waterford High School

It is the prime importance that a school provide successful experience for our youth. Each student should have the opportunity to develop to the maximum all the capabilities which they possess.

We propose to continue the well tried activities of our school with constant evaluation of our student who will be better fitted to meet the problems of our changing world.

I wish to congratulate all of you for the successful completion of your year's work, and wish you continued success in the future.

W. K. Carter

ADMINISTRATION

Donald C. Beardmore

Principal

Waterford High School

This has been a good school year. Although we have no single measure of the success of our total program, there are indicators we can use:

1. School spirit--the success of our projects such as the clothing drive and candy sale, and the high percentage of students now attending or taking part in our activity program speak very well for our activity program.

2. Academic program--a high percentage of this year's seniors have been accepted by colleges. Our drop-out rate is low. We have well-qualified teachers, an interested student body and a broad offering of subjects in well equipped rooms.

3. General "Tone" of our school--a brief walk through the halls allows our students to be business like, yet an air of courtesy and friendliness exists.

Yes, to me this has been a good year in a good school. I sincerely hope each of you found it the same.

OFFICERS

SEATED: Sharon Alaxson, Secretary; Nancy Potokar, Treasurer. STANDING: Barbara McGill, Vice-President; Lawrence Heebsh, President.

The Senior Class of 1966 was made up of 129 boys and girls. Of these students, thirteen were recognized as honor students. The class would like to express their deepest thanks to their class advisors who have given of their time, patience, and guidance: Mr. Knaak, Mr. Hammer, Mrs. Sabatino, Mr. Frye, Mr. Stasnopolis, Mr. Wolcott, and Mr. Whitford. It was a great privilege to be the first class to graduate from North-Central accredited high school.

IN MEMORY OF JERRY REESMAN

The Little Drummer Boy

Come they told me
Our newborn king to see,
Our finest gifts we bring
To lay before the king,
This is to honor him
When we come.

Baby Jesus,
I am a poor boy too,
I have no gifts to bring
That's fit for a king,
But may I play for you
On my drum.

The mother nodded,
The ox and lamb kept time,
I played my drum for him,
I played my best for him,
Then he smiled at me,
Me and my drum.

ACTIVITIES

STUDENT COUNCIL

OFFICERS

Mayor: Lael Paulson

Vice President: Rick Westlund

Secretary: Marcia Cahill

Treasurer: Bob Mohr

This year was a big year for our student council. With Lael Paulson as mayor, the organization sponsored an American Field Service Candy Sale, to raise money for a Foreign exchange Student. The whole school participated in the buying and selling of candy and the outcome was far better than we had hoped for.

Other fund drives for the year included, collecting for the March of Dimes, gathering Christmas presents for Southern Colony and helping with a clothing drive for the Save the Children Federation.

Meetings were held during the school day and students with a free hour were welcomed. Such purchases as an apple machine and a jukebox were discussed and a code of dress was drawn up.

This year's advisor was Miss Crump.

Led by Pres. Judy Schaefer, V. Pres. Barb Jones, Sec. Barb Bronenkant, and Treas. Shawn Streed, the society has performed duties for the school and has installed new members. This installation ceremony is the society's main activity, as new members are received and a tea is held for parents and faculty. Requirements are restrictive and members must maintain high standards of achievement throughout the year.

There's a deadline tomorrow, so let's get going, gang. You're kidding! A deadline? Tomorrow? Take pictures, crop them, lay out dummies, type writeups and finally, send in the master copy to be printed. (Is that all?!) This has been the job of the Annual Staff heads. Each "head" is responsible for a particular section in the publication with Co-ordinating the job of the Editor-in-Chief. Aside from the editor and staff heads, typists also played an important role in the realization of this year's yearbook.

DRAMA CLUB

The Drama Club has experienced a new beginning at W.H.S. this year. A constitution, which has been under consideration for the past three years by the Speech Classes, was ratified by the members of the club. The organization, at present, is composed of students who participate in activities sponsored by the club throughout the year. These activities included the school musical, "South Pacific," and the Senior Class play, "All The Way Home." Some members also took part in the Talent Show.

New curtains for the stage and a new set of stage extensions were added to the assets of the club. Visits were exchanged with the drama students from Salem Central, Delevan, Arrowhead, and Kettle Moraine high schools. Mr. Molthen, the club's advisor, has estimated the total attendance for the drama production of the school musical, alone, to have been approximatley 3500 people. He adds that he was most pleased with the enthusiasm of all members.

The W-Club, organized twelve years ago as the Lettermans' Club, consisted of forty-seven athletes who earned letters in competitive sports sponsored by W.H.S. The club sponsored concession stands at football games, and concerned itself with such other money-making activities as parents' nights, the all-school spring track meet, and the Homecoming events in the fall.

A big contribution to the school was the purchase of a projector that was used for sports films. Mr. Wiese served as the adviser.

HOMECOMING "65"

This year Waterford High again welcomed alumni to share in the Homecoming activities which continued for three days. A pep rally, followed by the burning of three huge letters took place on Thursday night. Friday night our team was cheered on to victory against the St. Mary Hilltoppers. During half-time the school band played, and Mr. Beardmore presented Queen Wendy Uttech with a bouquet of roses.

Saturday night students, teachers, and alumni again met at a dance sponsored by the seniors. Life-sized drawings of the senior members of the varsity, and football equipment adorned the sides of the gym. The throne consisted of chairs with green velvet drapings covering each.

King Dan Ketterhagen crowned Queen Wendy at 10 o'clock. Other members of the court included Kathy Kempken, senior representative; Joan Ketterhagen, sophomore representative; Judy Jacobson, freshman representative; Dave Dietz, junior representative; Doug Kintop, sophomore representative; and Rob Belden, freshman representative.

Skits were presented by all four classes, the drama club, the chorus, and the women of the faculty during the pep assembly.

Attendants at the dance, entitled "Moments to Remember," enjoyed the music of the "Knights of Rhythm."

Cross country running is one of the oldest activities of Man. It started as being a means of getting food or chasing enemies. In early days of Man's ventures on earth the swift dominated because running was often a matter of life and death. Cross country running is a new sport at Waterford. Mr. Zuelsdorf coached this year's team, and by their improvements this year, has great hopes for them next year. Frank Bacun was captain of the team and the outstanding runner. Other outstanding runners were Dave Lackey and Shawn Schmidt. We certainly hope that Cross Country running is at Waterford High School to stay.
